

Dear Student Veteran –

OTC realizes that returning military veterans face many challenges when beginning or re-entering college life. Therefore, we are offering one section of English Composition 101, and one section of English Composition 102, each exclusively designed for our veteran students. Both classes will be taught by Larry Rottmann, an experienced and professional instructor with over 40 years in the classroom.

A 4th generation ex-GI himself, Mr. Rottmann understands the special needs and concerns of former soldiers, sailors and airmen, and will create a comfortable classroom atmosphere that allows and encourages the individual experiences of students with recent military experience to be naturally integrated into the standard curriculum.

Once registration begins for the Spring 2014 semester, qualified veteran students may simply e-mail registrar@otc.edu from your OTC e-mail, telling us which of these courses you would like to be registered into. Or you may print this form and come in person to the Student Services desk on the first floor of Information Commons. These classes are each limited to 24 students, but if the course you are interested in closes, please continue to monitor as some openings may occur periodically, prior to the start of classes.

Course information is as follows:

ENG 101-137	NKM-119	TTH	1:00-2:15PM
ENG 102-123	NKM-117	TTH	11:30-12:45PM

Please let us know if you have questions or concerns.

Thank you,
The Registrar's Office
