

## Placement Test Score Results

**Path 1:** ACT scores at or below 13 in Math and English *or* COMPASS scores at or below 25 in Numerical Math and 32 in English *or* ASSET scores at or below 34 in Numerical Math and 37 in English.

- Students (First Time, Early Start, Transfer, Readmitted) will be referred to the [Adult Education and Literacy – Transitions Program](#) for skill building before enrolling in college credit courses. The program is only available within the state of Missouri. Students with qualifying COMPASS scores will enter Paths 2 or 3 upon successful completion of the Transitions Program.
- Student pursuing Certificates and AAS Degrees in [Technical Education Programs](#) are excluded from Path 1.
- The Adult Education and Literacy - Transitions Program is free to students. Financial aid is not available.

**Path 2:** ACT and/or COMPASS scores which qualify for two or more developmental subject areas in math, reading and English.

- First-time students will be placed in our [Bridge to Success Program](#). The program allows students to enroll college credit courses, but has some course and delivery restrictions. Students will need an additional one to three semesters of preparatory courses to complete a degree.
- Financial aid is available to students who are eligible.

**Path 3:** ACT and/or COMPASS scores which qualify for fewer than two developmental subject areas.

- Students can enroll in college credit courses, so long as prerequisites have been satisfied. Students may still need an additional one to three semesters of preparatory courses to complete a degree.
- Financial aid is available to students who are eligible.
