CHARTS, BAR GRAPHS, & FILTERING

At the top of your audit you will see several graphs and charts that can show you your progress at a glance. Some of these graphs are interactive and can be used to filter your audit.
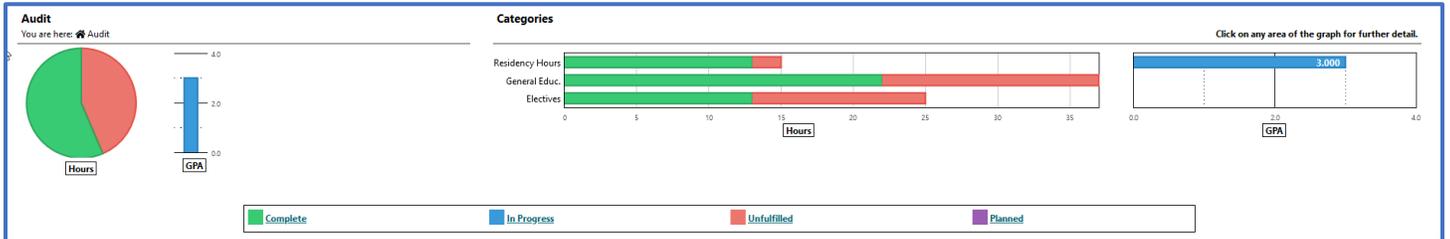

AUDIT:

The **Hours** pie chart under the **Audit** header shows an overview of progress towards the completion of the total required hours for your program.

The **GPA** bar graphs show you your current GPA on a 4.0 scale.
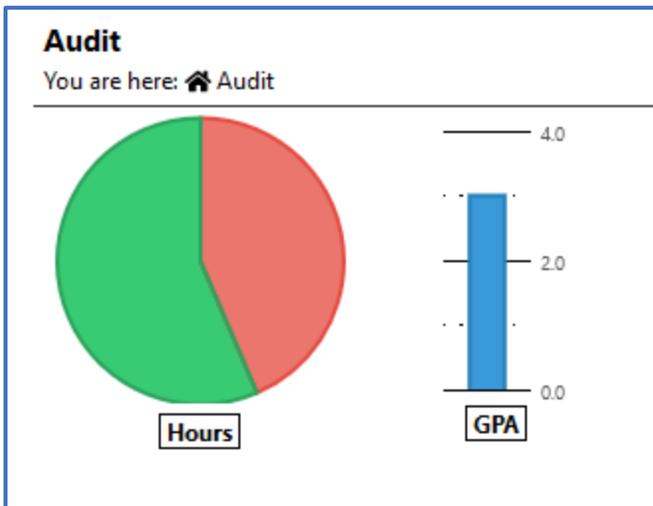

CATEGORIES:

display categories will vary depending on program

Categories are assigned to **Requirements**. The **Categories** bar graph provides an overview of the progress made towards the total required hours in each listed category. **Categories** are clickable and will provide a breakdown of all **Requirements** included in the Category. You may also detail further into a **Requirement** to see a breakdown of **Subrequirements**. (see example)

Categories
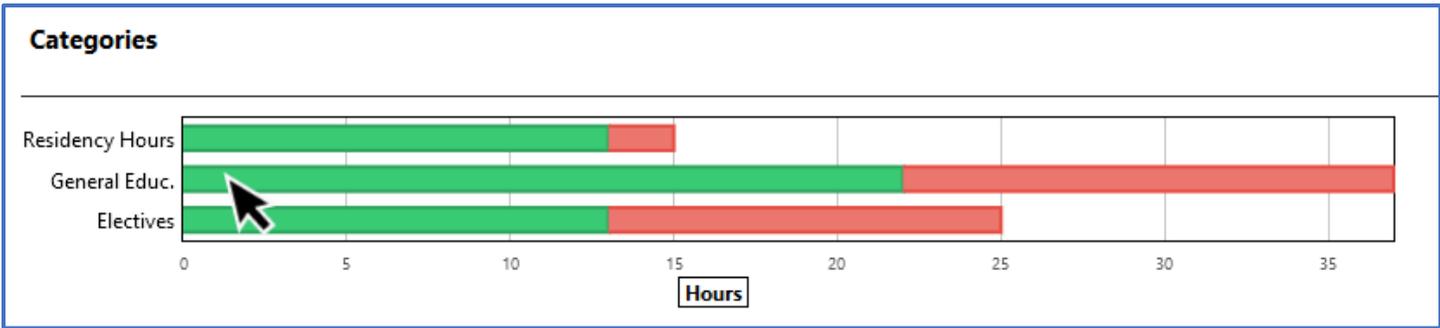

Selecting the "General Educ." bar from the Category options provides the following Requirement breakdown:

Requirements

Selecting the "CORE42 Written Comm" bar from the Requirements options provides the following Subrequirement breakdown:

Subrequirements

To return to the full audit, use the Breadcrumb trail located above the pie chart:

| Student ID | DEMO |
| Prepared On | 11/19/2021 03:25 PM |

Audit Results   Course History   Applied Exceptions

Requirement: CORE 42 Written Comm
You are here: 🏠 Audit > Category > Requirement

FILTER BY REQUIREMENT STATUS

You may select any status to filter the audit to display only the **Requirements** that have the selected status. This does not filter **Subrequirement** status

*please note, that the **Requirement** progress (Complete, In-Progress, etc) is determined by the completion status of the **Subrequirements** within the **Requirement**. If one **Subrequirement** is **Unfulfilled** (red), the **Requirement** will also show **Unfulfilled**.*

Complete	In Progress	Unfulfilled	Planned
