Requirements & Subrequirements:

These icons display at the Requirement and Subrequirement level to indicate your current progress. Subrequirement progress is based on the completion status of all course(s) and hours listed within the subrequirement; Requirement progress is based on the completion status of all Subrequirements listed within the Requirement.

Course Codes:

19FA	CHM 101	4.00	B	RP
------	---------	------	---	----

These codes display after the letter grade on the far right of the course line. They indicate additional information about the course listed. Only one course code can be displayed per course.

Special Grades

18SP	PHL 105	3.00	TB
------	---------	------	----

These codes are used for Transfer grades or as status indicators for courses that have not been completed.
